

water**is**life

**Once again we would like to thank all of you who sent gifts to the fundraising campaign in Bosses memory.**

The result has been absolutely fantastic – with **over \$10,000 raised!**

This means that there is more than enough to complete Bosse's project, and already in 2017, the people in the region of Gondar in northern Ethiopia will have access to clean water from a well with Bosse's name.

We would like to extend a warm and heartfelt THANK YOU!

With Love,

*Ingrid, Matts, Lisa and Lars with families*
